TO: Binch Zhang - U73445665,

This email confirms payment of the \$100 ISSO OPT Processing fee on 23 December 2019.

Nelnet Order ID: 5002439339

*****Please print this email as proof of fee payment and bring the printed “receipt” to your ISSO advisor at the time of your OPT appointment.*****

We are pleased that you have decided to extend your stay in the US and apply for post-completion OPT or a STEM OPT extension. Please gather all of the documents required on the [OPT application checklist](#) or the [STEM OPT Extension application checklist](#) and contact the ISSO at 617-353-3565 to schedule an appointment with your ISSO advisor to obtain the new I-20 required to submit your OPT application to USCIS. Please visit the [ISSO OPT website](#) for more details regarding the application processing and how to maintain F-1 student status during OPT and STEM OPT.

While you are on OPT and STEM OPT, you remain in F-1 student immigration status and ISSO staff will continue provide you with immigration and advising support. The \$100 ISSO OPT processing fee will offset the expenses of mandatory SEVIS compliance and record management after your graduation. This fee is separate from the \$410 application fee paid directly to USCIS. The \$100 ISSO OPT processing fee is non-refundable fee once the I-20 with the OPT recommendation has been issued. Refunds of this fee are allowed only if an ISSO advisor determines you are not eligible to apply for OPT after you have paid the fee.

Please [contact your ISSO advisor](#) should you have any questions.
